FEBRUARY.....Holidays over; back to normal--school ; work etc. Not a busy planned month . MDL has been receiving quite a lot of casual visitors. This will continue while we have lovely weather .Several of our regular volunteers are having holidays ,so thank you to those doing a bit more . Fred G is having the month off (hospital 'holiday' and then a 'holiday at home' .) He has been volunteering since Day 1 so he has earned time off after 26 years . Good to have Mark Adeney back 'on the roster', More hot ,dry weather ahead so stay cool and enjoy your time at Mont de Lancey .Sperea thought for the gardeners . or give them a helping hand if you see something needs a drink .

Best Wishes Valmae 59644211 0408592291.....
